

United Women in Faith

Our Purpose:

We are a community of women whose purpose is to know God, experience freedom as whole persons through Jesus Christ, develop a creative, supportive fellowship, and expand concepts of mission through participation in the global ministries of the church.

Our Mission:

We seek to connect and nurture women through Christian spiritual formation, leadership development, creative fellowship and education so that they can inspire, influence and impact local and global communities.

Our Vision:

We are a powerful, fearless force driven by God's love and united in sisterhood. With a focus on women, children and youth, we act for justice and transform communities.

We face the realities we see in the world, even when they are not the ones we would like to see. However, our goal is not to bear witness simply to harms but also to God's love by acting boldly to change those harms.

Our Action:

Bold action, like faith, takes courage. Our bravery is inspired by God's love and our powerful commitment to improve the lives of women, children and youth. United Women in Faith works for justice through compassionate service and advocacy to change unfair policies and systems that harm women, children and youth—from racial and gender injustice to economic inequality, climate issues and more.
